We hear you

Any gripes, kudos, or ideas? Call 378-9136 to sound off.

We have been notified by the Campbell high school district that Westmont High will not have an orchestra next year. Why can't we combine with Campbell High? We bus for everything else. Why not for something useful? Let's call Dr. Montesano (the superintendent) and let him hear from us.

UPSET MOTHER

Editor's note: A number of parents have already been calling his office. According to Jay Russell, assistant superintendent-instruction, the district is looking into combining orchestras for next year. The Westmont orchestra was discontinued due to lack of musicians. Russell says the district is now looking into possibly scheduling the combined orchestra class during the first period (with students bussed) or some other period of the school day. "Tell the parents not to worry," he added.

I feel the Campbell Prune in "We Hear You" was laying it on a little thick. That bit about all the buildings burning down and people dying if the fire department is cut back ... Personally, I don't want paramedics cut back at all. You can just leave those chuck holes in my street instead. They've been there for six

Sewer project eyed for Sunnyoaks area

Campbell put out a call for bids on a storm sewer project for the Sunnyaks avenue area last week, the first step in a plan that will later include a face lift for the street.

Engineer's estimate for storm sewer lines along parts of Sunnyoaks, Kenneth street and Waldo road is $11,000 with Sanitation District 4 paying $30,000 of that cost.

According to Project Engineer Dave Valkenaar, bids will be opened on June 7 with the possible awarding of contract at the June 12 City Council session.

Roadwork and sidewalk installation is also planned for Sunnyoaks avenue, between Virginia and Winchester. That project will be funded through minor street bonds and federal Housing and Community Development funds.

According to Valkenaar, street construction work should begin around September.

Four seek two seats

Street lighting cutback

City predicts deficit if Jarvis-Gann passes

By MIKE MYSLINSKI

THE GOOD and bad aspects of the controversial Jarvis-Gann tax initiative were discussed during a special informal public hearing held in the Campbell City Council chambers Monday night.

Mostly the bad.

In fact, only one speaker from the small audience, Roberta Allen from the Yes-on-13 headquarters on Railway Ave., defended Proposition 13, designed to cut individual property taxes by 60 percent.

After listening to city staff project the budget implications of Proposition 13, including the possibility of a $1.3 deficit if the measure is successful in June, Allen told the council she understands the local problems the cutbacks might cause, but that the electorate should remember the original statewide intent of Jarvis-Gann.

She said the initiative attempts to show government that the public does not like spiraling property taxes or the non-property related expenditure of the tax money collected.

ALLEN ADDED that Campbell should get together with other cities and lobby Sacramento for relief if revenue losses reach a critical level.

Councilman Rusty Hammer said Proposition 8 provides relief to cities with its provision that local governments would no longer have to bear the burden of welfare costs. The state would.

He said using property taxes to partially fund the Campbell fire, police and public works department are legitimate expenditures because their services protect citizens' property.

COUNCILMAN Bill Podgorsek said cities would have a difficult time banding together to lobby Sacramento because "every city wants to remain autonomous."

As it is, every city department would feel the bite of Proposition 13, the council learned.

Public Works Director Joe Elliot, aside from the personnel cuts his department would suffer, said the Campbell Lighting District funds would be threatened by Jarvis-Gann.

Supported entirely by property taxes, Elliot said the lighting district reserves would protect the Campbell streetlights for one year. After that, he said Hamilton, Winchester, Campbell and Bascom avenues would have their lighting cut in half. Intersection lighting would remain.

Elliot predicted that all residential lighting would have to be phased out.

CITY Manager Bob Stephens presented to the council three alternatives it may wish to pursue if Jarvis-Gann is successful.

He said the council could hike "user" fees, such as those charged for business licenses, or decide to rechannel the $300,000 in federal revenue sharing funds allotted to Campbell each year or dip into the council-mandated $250,000 in city reserves.

On Tuesday, May 23, from 10 a.m. to 3 p.m., Stephens said he will host a special session where citizens can visit the City Council chambers and let him know how they think revenue sharing funds could be spent.

Beth Hubbard, 180 S. First St., asked Stephens how much money could be saved if all three of his alternatives were utilized. When told that the estimated $900,000 saving is still short of the estimated $1.3 million budget deficit, Hubbard suggested the council attempt to reduce all city salaries by 10 percent.

Mayor Dean Chamberlin countered that law forbids such a decree and that salary negotiations begin July 1, when the city will deal with four unions.

Chamberlin said June council meetings "are going to be difficult not only for the personnel of our city but for the people of our city" as well.

A fortunate furry friend

You could call this little critter held by Adam Thill and Ricky Greene "Smokey the Rat" but, actually the rodent member of the Sherman Oaks School lending library is named Peter Pan. During the arson fire in the school last month Peter was in a cage in the kindergarten room, which suffered heavy smoke damage. "We don't know how he was able to keep on breathing," says teacher Gilda Forester. So far, there have been no ill effects on Peter from the blaze which killed a rabbit in an adjoining room.

Fido's not welcome

Park patrons pan pooches 7 to 1

PARK GOERS don't want to share their space with the canine set, according to a survey carried out by two Campbell parks commissioners last week.

Commissioner Dewey Reed, who canvassed adults in John D. Morgan Park with fellow commissioner Edith Morley on Sunday, May 7 says the results were decisive. Of the 99 people interviewed, 81 were opposed to allowing dogs in the park, 13 were in favor and five undecided.

The unannounced survey was prompted by a letter from one local resident to city officials complaining about the ban on animals, particularily dogs, in city parks.

Last Wednesday night parks and recreation commissioners voted 6-1 to recommend the present ban be continued. Opposing the motion was Commissioner Mark Pierce.

"I WOULD like to hear more from the citizens," Pierce said Thursday, adding he didn't feel the survey was as far reaching as it should have been. "I'm willing to go along with what the people want, even if it goes against my own feelings, but I'm not sure we do know."

The main concern expressed during the survey, according to Reed, was over possible injury to small children by dogs.

"We even interviewed three people whose children had already been bitten by dogs at the park," Reed added. Those dogs were not strays either, he said, but were on leashes being supervised by their owners.

The commissioners said they saw no dogs during the afternoon survey but that the security aide on duty told them he had just had to eject someone who brought rabbits into the park.

UNDER PRESENT rules people who bring animals into Morgan Park receive a warning letter from the Campbell Police Department. A second violation warrants a citation which brings with it a $35 fine in the local municipal court.

Since the park security aide program began in August of 1977 there have been a total of 802 contacts with pet owners and calls to animal control for stray dogs, according to Police Captain John Butler. But things are improving.

During the first four months of the program, Butler said, the incidents averaged 143 a month. The last five months that average had dropped to 46.

Seven get notice

Layoffs spark appeal in Campbell district

SCHOOL TRUSTEES in the Campbell elementary district voted to discontinue seven staff positions last week, a move that one teacher organization leader says he plans to fight in court.

Officials voted unanimously to accept the proposed decision of administrative law judge Philip Hanley which allows dismissal of seven positions including a school nurse, hospital teacher, junior high counselors and a counselor-psychologist. The district originally planned 10 dismissals.

According to Gordon Martin, president of the West Valley Federation of Teachers, his group plans to file an appeal. Among several points of disagreement Martin cited was his contention that the district must consider staff which has left the district through resignation and retirement to offset a reduction in staff.

ALSO, MARTIN said, a dismissal hearing in 1975 resulting in the finding that three people involved had an earlier date of hire than noted by the district. A hearing officer ruled those three could not be dismissed. Those three are on the current dismissal list. Since the district did not appeal that decision, Martin says, that judgment is still in effect.

The district argued that most of the dismissals are due to program cutbacks and not tied to the loss of student enrollment. The judge agreed.

Trustees also ruled that three school principals will be returned to the classroom this fall but did not decide which three.

Task force to eye old school

A task force is being created by the Campbell City Council to look into possible ways to use the old Campbell grammar school site at the corner of Campbell and Winchester blvd.

First meeting of the new group is scheduled for Tuesday, May 23 at 7:30 p.m. in the administrative conference room of City Hall, 75 N. Central ave.

Mayor Dean Chamberlin and Vice Mayor Norma Paul will serve on the committee, along with representatives of the four city advisory commissions and three citizens-at-large.

All meetings of the task force will be open to the public.

AWARDS WINNERS at the 12th annual Recognition Banquet of the Campbell Police Department last Thursday night were, from left, Chief Don Burr, Irma Reese and Sgt. Tom Harris. Reese, director of the Campbell Progressive Seniors and a member of the Civic Improvement Commission, was named "Citizen of the Year" by the department. Harris was named officer of the year and Jon Hackley "Reserve Officer of the Year." Chief Burr had the tables turned on him this year by former recipients of the citizen award who made a surprise presentation to the police department for their outstanding public service.

Jousts planned for college fair

The Morris Dancers, Washer Well Brawl and Commedia are a few of the entertainment fare at the Renaissance Festival and Spring Celebration at West Valley College this Friday, Saturday and Sunday, May 19, 20 and 21. Hours are noon to 5 p.m. Friday and 9 a.m. to 5 p.m. this weekend.

For the children there's a petty zoo and free pony rides and babysitting available while the parents take in the craft or game booths.

Some of the more unusual culinary offerings include British bangers, meat pies, medieval shish-kabob, and Elizabethan meatballs.

Craft booths will include metal sculpture, silversmithing, glass blowing and tapestry.

The ancient art of weaving and spinning yarn will be demonstrated and clothes of the Renaissance period will be on display.

Special events this year will be a foot massage tent, heralding and knights in shining armor fighting in the field.

Annual cost $28,500

Old billiard parlor eyed for senior center

THE COST TO RENT and staff a senior citizen center in Campbell would total about $28,500 annually, according to a report to the City Council last week. One time costs for building renovations and furniture would add an additional $24,269.

The report, prepared by Barbara Harison, community services coordinator, came about after members of the Campbell Community Seniors made their latest plea to city officials for a permanent meeting place. At present the group meets twice monthly in the Community Room of the Campbell library. The council directed Harison to investigate.

Two possible sites for the center were proposed by Harison; a 2,800 square foot building at 85 S. Second street for $650 a month as is or $800 monthly with improvements and a 2,400 square foot store at 266 E. Campbell ave. (formerly a billiard center) for $840 monthly.

ESTIMATED RENOVATION costs prepared by the county were $23,793 for the Sam Blancato building on S. Second and $16.819 for the Bob Raffanti store on E. Campbell avenue.

At the May 8 council session Harison was directed to make further inquiries about the E. Campbell ave. facility and to see if there is any way to also accommodate the Senior Nutrition Program which now leases space in the Orchard City Grange Hall, 109 N. First st. for $480 monthly.

According to Harison's report, neither of the possible sites is large enough to accommodate both the nutrition program and other senior recreational and social activities.

ORIGINALLY THE LOCAL senior group had their eye on using part of Hamilton School after that facility was closed last year. A preliminary agreement had been worked out with adult education, which planned to lease the entire facility. That lease fell through when the Campbell elementary district and adult education failed to reach an agreement.

According to Harison, the proposed senior center would be open Monday through Friday from 10 a.m. to 5 p.m. and would be staffed 30-35 hours weekly by a center coordinator and 20-25 hours weekly by a janitor. The center would also have to depend on senior volunteers to operate, she added.

Activities which could be planned include adult education and recreation classes, senior citizen club meetings, bridge games, bingo, pot lucks, dances and special activities plus games such as pool and billiards. Films could also be shown, she added, and the center could serve as a place to visit with friends.

THE YEARLY COST estimate of $29,000 would include $14,300 in salaries plus fringe benefits, and supplies, utilities and rent of $14,200. About $16,819 would be needed for building renovation with another $7,450 in capital outlay for chairs, tables, couches, a desk, chair, cleaning equipment and refrigerator.

Harison is scheduled to report back to the City Council June 12.

High rise boosts building statistics over last year

TOTAL VALUE of building permits issued this year was running behind 1977 until the $4.8 million high rise senior complex application came in last month.

Total value of construction through April was $8.5 million, according to Building Official Wally Byron, compared to $7 million last year at this time.

Single family home construction is still way behind last year with 20 permits totaling $958,339. In 1977 through April 69 permits had been issued for a total value of $2.8 million.

Industrial construction is up, $1.3 million this year compared to $628,000 through April of last year. And $1.1 million of that total was for industrial permits issued in April to Dell Associates No. 9 for three buildings on Division street.

THE BIG PROJECT for the month, and for the year, is the 156-unit Wesley Manor development at 1655 Winchester blvd. which will offer federally subsidized housing to seniors. The 12-story building, to be located adjacent to the First United Methodist Church of Campbell is administered by Methodist Retirement Foundation, Inc. based in Santa Clara.

Other multiple housing projects which received building permits in April were the two four plexes valued at $112,760 each to be constructed at 25 and 35 Dot Avenue by Herman Heller.

Experimental Associates is also constructing an industrial building, valued at $50,181, at 90 Railway ave.

Should fast food eateries be controlled in Campbell?

TEN YEARS AGO almost every major intersection sported at least two service stations on the corners. In recent years the trend has been to fast-food eateries.

Earlier this year planning commissioners expressed concern over the increasing number of fast-food restaurants but, under existing law, if the zoning permits, there is little recourse but to give the okay. A proposed text amendment that comes up for public hearing Tuesday, June 6, could change all that.

That addition would define restaurants as opposed to fast-food restaurants and drive-ins and would allow the latter two in C-2 and C-3 (commercial) zones with a use permit to be granted by the Planning Commission.

IN REVIEWING applications for use permits officials would be able to take into consideration, for example, the fact that three fast-food restaurants are already located within a half block area.

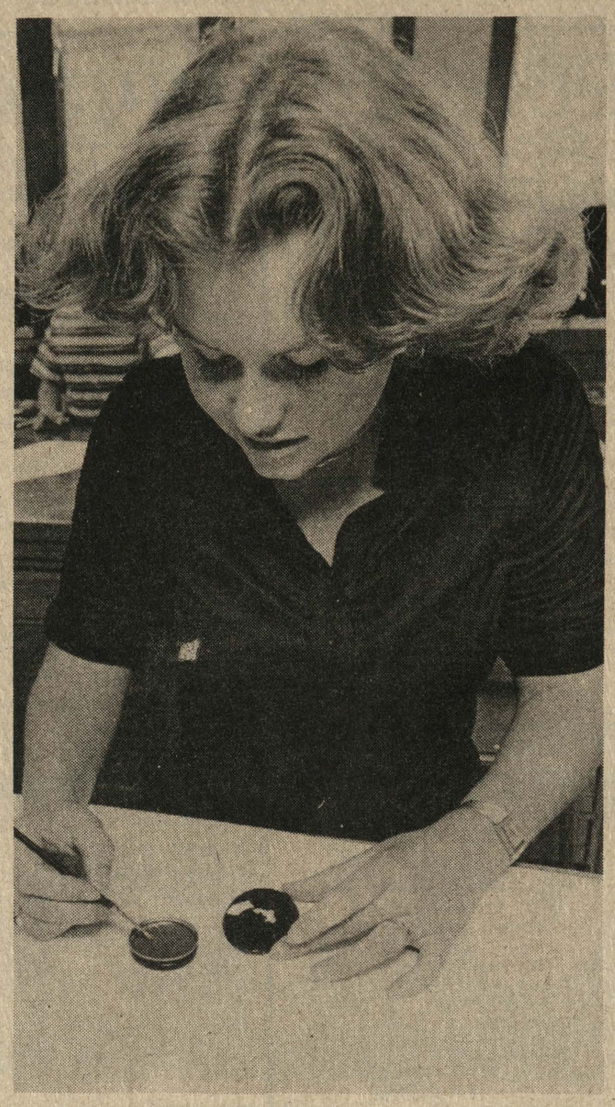
In officially defining the three types of eating establishments, method of serving makes the difference.

A standard restaurant, according to the proposed amendment, serves customers their food or beverage on tableware by a restaurant employee at a table or counter or operates cafeteria-style.

THE FOCUS ON fast-food and drive-in restaurants, in contrast, is foods or beverages served in disposable containers.

"The consumption of foods, frozen desserts, or beverages within a motor vehicle parked upon the premises, or at other facilities on the premises outside the restaurant building, is allowed, encouraged, or permitted," the amendment continues.

The public hearing on the proposed change will be held June 6 at 7:30 p.m. in the Council Chamber, 7t N. Central ave.



Campbell High School's Sherree Curtiss is one of 2,000 students from throughout the Campbell Union High School District getting ready for the fourth annual Art at The Factory show which runs from Friday, May 19 through Sunday, May 21 at the 93 S. Central ave. center. Curtiss, a junior, is working on cloisonne (advanced enameling). Students will compete for first, second and third place prizes in nine categories including crafts, art, photography and two dimensional art. Hours are 10 a.m. to 9 p.m. Friday, 10 a.m. to 6 p.m. Saturday and from noon to 5 p.m. Sunday in the Hyde Cannery Building. John Quigley, district art supervisor, is coordinating the event.

The cost of trees going up

The cost of everything is going up. And street tree planting is no exception.

Changes in the Campbell street tree ordinance, that would boost those charges, comes up for a public hearing at the Monday, May 22 City Council session.

At present the ordinance specifies homeowners can pay the Public Works Department $20 per street tree for materials and labor, in lieu of doing the work themselves. Under the revised ordinance the cost isn't specified and would depend on the city's cost. According to a Charlene Case, the current cost is about $40.

"We just can't do it for $20 any more," she explained.

The new proposed ordinance also spells out a new definition for a tree or shrub declared a "public nuisance." The old reading included those plants which destroy or impair street improvements.

Added to the section will be those trees or shrubs which create a traffic hazard.

Newsbriefs

NO BINGO JULY 4TH

The Campbell City Council, following a recommendation by Police Chief Con Burr, voted to deny a request by Morning Light Lodge 42, International Order of Odd Fellows, to conduct a bingo game at the city's annual Fourth of July celebration in John D. Morgan Park.

A second request for a bingo permit, for games at the IOOF Hall on E. Campbell ave., was approved.

Our readers write

Prop. 13 created by politicians

EDITOR:

When a relative of mine in a modest suburb of Los Angeles received her property tax bill, it showed a $100 a month increase. She was in tears over the big jump, and finally had to rent a room to help cover the extra expense. If you wonder who signed the Jarvis-Gann tax initiative, Prop. 13, it is people like this.

The politicians have created Prop. 13 by their lack of prudence, and ever increasing burden on the taxpayers.

Our Board of Supervisors and councils do not put the costly, major issues to the voters. Part of the problem is the attitude of politicians that they cannot put the issues to the voters, as they know the taxpayers will just vote the issues down, so the costs are skyrocketing.

We are all concerned with the spiralling inflation we are facing daily. What we must consider is; what will our tax bills be like if Prop. 13 does not pass! We wonder if politicians go to school somewhere to learn how to make costly, irresponsible decisions.

We should be more like our sophisticated cities up the Peninsula and exercise our power of "Recall" for these spendthrifts who burden us with costly expenses, with no voice or vote.

The taxpayers are angry at the "Big Spenders." The people are force fed and fed-up with senseless expenses and increases.

HIS SPUNK IS INTACT

With Fire Chief Gene Borden on the mend after undergoing heart surgery at Good Samaritan Hospital last week it's time to relate the story making the rounds at City Hall these days.

Seems the day Gene was scheduled for surgery another patient was to undergo a similar procedure earlier that morning.

Gene reportedly told his son Robbie to spend some time in the observation room . . . "And if things don't look like they're going well let me know and I'll check out of the hospital quick."

Anti 13 forces use scare tactics

EDITOR:

What is the matter with our elected officials?

We are being threatened and bombarded with scare tactics and told Jarvis-Gann is bad! But what do we get now? Higher taxes!! As recently announced there were increases of 55 percent in Foster City, over 40 percent in Atherton and 22 percent in the Santa Clara Valley. They are simply telling us, "Go to hell taxpayer," you do as you're told or else!

If I had any doubts about voting FOR the tax initiative, Prop. 13, they have now been removed. I will vote for Jarvis-Gann.

Our elected officials better watch out. I for one will not vote for any who are against Jarvis-Gann. We are being told about reduced services — let's start at the top by cutting their salaries! Cut their expense accounts. Cut the frills and extras. But don't cut out our necessities.

I just received my new tax assessment, $17,000 over last year, and please don't tell me how much money I am going to make if I sell. I can't afford to sell!

I did like this area six years ago when we bought. I still like it. But in a few years from now I won't be able to pay the taxes anymore. Someone UP THERE is crazy! If I am lucky I get a raise of 7 to 8 percent in 14 or 15 months. But everything else goes up much faster.

Taxpayers wake up!

years anyway and I'm getting used to them.

PRUNE PICKER

Years ago the water district promised to landscape San Tomas Creek along San Tomas Aquino road. Last year they said the drought had caused a delay. After over 24 inches of rain, isn't it time they got started?

TIRED OF CREEK BLIGHT

Editor's note: "You're absolutely right!" says Steve Renfro, landscape architect for the Santa Clara Valley Water District, "and that's why it's on our schedule to be done this fall." Creekside plantings will include oak trees, coyote brush and other native shrubs to attract wildlife.

I think that person who is putting the stories about the Campbell Bobby Sox in the paper is very biased towards two players. Our league is made up of more than just two girls. There are many good plays made every week by other players. How about giving them some credit too?

FRUSTRATED MANAGERS

Editor's note: According to Sports Editor Dick Sparrer, "We don't favor any particular girls. I suggest the manager check with the person (league representative) who is supplying the information to our reporter."

Let's hear it for the Campbell (elementary) school board member who took her case to the state legislature. I hope that new (assembly bill) passes. The new, so-called streamlined agenda at school board meetings has just one thing missing . . . freedom.

A FAN

I take exception to that letter "Clowns for Prop. 13" in the PRESS last week. The idea that owning handguns is wrong bothers me. I'll bet I could easily gather 100 stories of people whose lives have been saved when someone scared off a burglar or rapist with a gun.

POLICE OFFICER

The Jarvis-Gann initiative could have been written better but it is the first chance the people have had to have a voice in government spending (that is, except for school tax elections). I think it's the Boston Tea Party all over again and the Fat Cats will have to lose weight.

SON OF LIBERTY

I've yet to hear those "blow hards" state what cutbacks they will do without when Prop. 13 passes. Not one has said he will fire himself! My wages have not doubled in four years but my property taxes have. I will not lose the home I have worked for all my life because the taxes are higher each month than my social security check! I must survive on social security as there is nothing left on Friday when the bills get paid to put in savings. We must take a stand to stop the waste and see that taxation is done in a fair way for all. Prop. 13 is a step in the right direction and in no way the end. Of course, there will be less money for cities and counties but we must take the responsibility to bring about a better way of life for all. We CAN do it.

FIGHTER FOR A BETTER LIFE

I didn't notice any Siren Sounds in the May 4 issue. Isn't that supposed to be a weekly feature? I always look forward to reading it and you can tell whoever is responsible that I didn't appreciate missing it.

A READER

Your article in the PRESS of May 11, 1978 regarding the Campbell elementary district reorganization rather perturbed me as it gave the impression that the district was realizing monetary savings in this reorganization. I had the impression also that the article in part was more propaganda written by high district administrative personnel. It was my understanding that while the review was conducted to allow for the reduction of both monetary and human resources, the management team found much to be improved in this district and their recommendations actually in many cases were just a shifting, elimination or hiring of lower-level personnel and would overall actually result in INCREASED personnel and costs to the district. It seems to me that (superintendent) Hauss' recommendation for reorganization, which was to supposedly save the district money and impress the taxpayers (and which the school board wholly swallowed and approved) has backfired.

VIGILANTE

Editor's note: According to Assistant Superintendent Ron Rescigno the next management report will have a cost analysis, "and then you'll be able to see if it will cost more initially than it does now." The recent action by the board, Rescigno added, means $30,000 plus fringe benefits for the salary of an assistant superintendent (dismissed) plus the director of maintenance and transportation ($18,000 plus benefits). "That's $48,000 right off the bat without anything else." The present reorganization of business services, he added, is part of a total plan which includes administrative reorganization, closing of schools, budget control and dismissal of certificated and classified personnel.

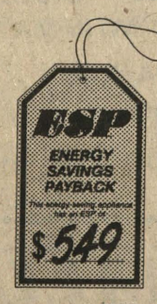
If you use ESP to select your next refrigerator, you could save enough to fill it with an extra $549 in groceries.

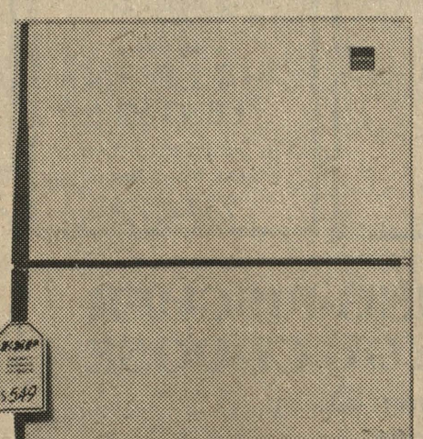


If you're in the market for a new refrigerator, freezer or gas range, how will you decide which one to buy? You can study consumer guides, comparison shop, or ask friends. And in all probability, you'll still have a choice to make.

ESP makes the decision easy.

ESP is a way to determine if an appliance is "energy-efficient," or how much energy it saves compared to similar models that only meet minimum standards.

Many refrigerators look alike but there can be a big difference in the amount of electricity they use depending on their construction.



ESP can save hundreds of dollars.

ESP (Energy Savings Payback) translates energy savings into the money you'll save over the average lifetime of the appliance—fifteen years, in the case of a refrigerator freezer. And that could mean $549 in your pocket—and even more. Or a lot more steaks, turkeys, and groceries in your refrigerator.

Look for ESP tags on energy-efficient appliances.

You'll find them on energy-efficient refrigerators, freezers and gas ranges at participating "We Care" dealers.

With careful, selective shopping you can save two of your most precious resources. Your money and your energy. PG and E

PASSENGER INJURED IN MISHAP

An 18 year-old Campbell youth was reported in fair condition in the intensive care unit of Los Gatos Community Hospital Tuesday morning after an accident involving a motorcycle and car on Westmont ave. at Silacci Monday.

Emery Parrish reportedly suffered head, neck and possible internal injuries in the accident when the car he was riding in rolled over and came to rest in the front yard of a home at 1705 Westmont ave.

According to police reports, the driver of the Honda morotcycle, Joseph Kammerer, 19, of Campbell was stopped for the stop sign at the corner of Harriet and Westmont avenue about 11:20 a.m. Monday. He reportedly made a right turn onto Westmont and was struck by a car driven by Martin Tidwell, 18, also of Campbell.

Investigating officers have requested a citation against both drivers. The motorcyclist for failure to yield and the motorist for traveling at an unsafe speed.

FAMILY HEIRLOOMS STOLEN

A home on Llewellyn drive was reportedly broken into last Tuesday and valuables totaling between $4,000 and $6,000 stolen.

Accordint to reports, stereo equipment, a guitar and household furnishing were taken along with a silver set which had been in the family for years.

DRIVE-IN HELD UP

A cashier at the Winchester Drive-In theater was reportedly robbed at gunpoint last Thursday night by a man who fled from the scene on foot.

According to reports, the man approached the cashier's window about 10:30 that evening and pointed a gun at the young woman, demanding money.

"If this all there is?" the man reportedly said as the cashier handed over approximately $23 in receipts.

The man was last seen walking towards the outdoor viewing area.

ARREST FOR DRUG SALE NEAR HIGH SCHOOL

A 20 year-old San Jose man was arrested on charges of selling marijuana last Friday afternoon after an investigation by Campbell police over possible drug sales to Campbell High School students.

According to reports, the young man was sitting in his car at the corner of Bland ave. and Hedegard (at the north end of the school) when the arrest was made.

During booking at the county jail officers found 23 hand rolled marijuana cigarettes and loose marijuana in the suspect's clothing.

ICE CREAM SHOP ROBBED

The owner of the Vanilla Fudge Ice Cream Shop in the Campbell Plaza shopping center was reportedly robbed at gunpoint of a small amount of cash Monday night.

According to reports, the man was wearing a dirty handkerchief across the lower part of his face and fled on foot after the hold-up.

DAMAGE TO RENTAL HOME

Campbell police will be talking to the former tenants of a home on Wren ave. after the owner reported between $600 and $1,000 worth of damage to the property after the men moved out last Thursday.

According to the owner, he found large holes punched in the walls, windows broken throughout the house and doors torn off their hinges.

Window Smashed

Mervyn's department store at 950 W. Hamilton ave. reported a large plate glass window broken by rocks last week.

Cost to replace the window was set at $800.

YOUNGSTERS are invited to see an original puppet show performed by members of Brownie-Girl Scout troop 638 this Wednesday, May 24 at 7 p.m. at the Campbell library, 70 N. Central. Troop members Nichola Swanson and Karen Graham preview two of the cost of characters to perform. The scout group made the puppets, the stage and created the story.

Those debts need attention, Aquarius

MAY 29 THROUGH MAY 26

ARIES (March 21-April 19): Floss and brush, Ari, you've just said a mouthful. Telling it like it is may change atmosphere but change is needed if growth is to happen. Chance occurrence puts new light in your eye and week ends with a wink.

TAURUS (April 20 - May 20): If "flattery's the food of fools" you feast well this week, Taurus. Be gentle to those with whom you have no binding connection and gallant to loved ones. Week of total confusion ends on note of chaos. So, what else is new?

GEMINI (May 21-June 20): HAPPY BIRTHDAY GEM! Clever and challenging, you are the most entertaining child of the Zodiac. You are the ideal dinner guest and perfect weekend companion. You search for truth, Gem, but you lie with imagination and flair. Your mercurial need for constant adventure requires a mate who "understands" you. Year ahead for progress and maturation. November is significant month. You endure load but refuse overload.

CANCER (June 21-July 22): Weigh and re-weigh alternatives, Moonbaby, and result will be balancing act to make others gasp. Get money matters under control and happiness arrives of its own accord. Week ends with a wiggle.

LEO (July 23 - Aug. 22): Take two baby steps early in week, Leo, and don't forget to say "May I?" As finish line comes into sight on last day you take important giant step toward self-understanding. Week ends with a sigh.

VIRGO (Aug. 23-Sept. 22): Prepare for change, Virgo. Don't let one who is moody or rude spoil your trip around the May pole. Grab a ribbon and **spin**. You're entitled.

LIBRA (Sept. 23-Oct. 22): If you break into your piggy bank this week, Lib, and you **still** find yourself short, call on Taurus who is tried and true. Be truthful and try to float a small loan. Taurus finds you hard to resist, Libra. Week ends with a hug.

SCORPIO (Oct. 23-Nov. 21): Though your candle power may be a little low, it is still bright enough to light up life of someone who loves you, Scorp. So turn over, turn out and turn on. Week cuddles to a close.

SAGITTARIUS (Nov. 22-Dec. 21): There is a great deal more to you than just form, Saj, you are also substance. Make independent decisions this week. Establish your own style. Tell one who whines to go sit on his Sunday hat. On last day dally in a daffodil bed — or wherever.

CAPRICORN (Dec. 22-Jan. 19): Tender is the night, Cap. Savor, but don't over-indulge, for tough, demanding day follows. Plan your schedule with care so you have time to treat yourself to a goody before last day. If you think you deserve a night on the town — take it. And then don't ruin it all by feeling guilty!

AQUARIUS (Jan. 20-Feb. 18): Debts need attention, Aquari — emotional and financial. Juggle your resources. With a clear mind, a sharp eye, a strong back and a willing heart you manage to muddle through. But **just.**

PISCES (Feb. 19-March 20): If you try to flourish in too many fields, Pisces, you end up going to seed all over the place. Concentrate your assets. Look for steady growth rather than flash. On last day putter in the potting shed.

Club Notes

CAMPBELL KIWANIS CLUB

Rod Diridon, chairman of the county Board of Supervisors, will discuss Proposition 8 at the Tuesday, May 23 meeting of the Campbell Kiwanis Club.

The group meets at 12:10 p.m. in the Black Kettle restaurant, 93 S. Central ave.

WOMEN'S SERVICE CLUB

Helena Basye will host the Wednesday, May 24 meeting of the Women's Service Club of Campbell in her home, assisted by Bernice Frye and Glenna Wilson. The meeting starts at 1 p.m.

Viva Chamberlin, chairman of social activities, is program chairman for the day and election of officers is also scheduled.

Pet patrol

ELDERLY DOG NEEDS MEDICINE

A 13 year old German Shephard has wandered away from her Campbell home and the owners are concerned because "Phaedra" needs daily medicine for an arthritis condition. Last seen in the area of Rincon ave./Wren way on May 10.

If you have seen this black, tan and grey dog wearing a black flea collar call Jade at 374-7835 or Art at 732-2400, ext. 2345.

SHEBA NEEDS A HOME

An 18 month-old Shephard-Lab mix needs a good home. She is black with white markings, has had all her shots and is good with children.

Call Dorothy at 378-6482.

LEAGUE OF WOMEN VOTERS

The Wednesday, May 10 meeting of the Campbell-West Valley League of Women Voters will be held at 9:15 a.m. in the 2287 Middletown drive, Campbell home of Kathy Mattingly.

For information about the meeting or group call 378-2355.

CAMPBELL PROGRESSIVE SENIORS

Local seniors are invited to the Sunday afternoon social meetings of the Campbell Progressive Seniors.

Meeting time is 2 p.m. and entertainment and refreshments are planned.

HISTORICAL AND GENEALOGICAL SOCIETY

Robert Hull will present "Hull Family Genealogical Gleanings" at the Thursday, May 18 meeting of the Santa Clara County Historical and Genealogical Society.

The group meets at 7:30 p.m. in the Santa Clara library, 2635 Homestead road, Santa Clara and visitors are welcome.

THE Women's Service Club of Campbell presents Korla Pandit in Concert this Sunday, May 21 at 2:30 p.m. in the Sanctuary of the First United Methodist Church of Campbell, 1675 S. Winchester blvd. Tickets for the concert are $5 and proceeds will go to the group's scholarship fund. Reservations can be made by calling 377-0618 or 379-8123 or can be purchased at the door. Care for small children will be provided. Pandit, the well known organist, was born in New Delhi, India, the grand nephew of Nehru's sister, Madame Pandit.

Low tar MERIT proven major alternative for high tar smokers–see results below.

Can low tar MERIT packed with 'Enriched Flavor'™ tobacco measure up to the taste expectations of current smokers of high tar cigarettes?

Read the results from a new, nationwide research effort involving smokers who actually tested MERIT against leading high tar brands.

Results Confirm Breakthrough

Confirmed: Majority of high tar smokers rate MERIT taste equal to—or better than—leading high tar cigarettes tested! *Cigarettes having up to twice the tar.*

Confirmed: Majority of high tar smokers confirm taste satisfaction of low tar MERIT.

And in detailed interviews conducted among current MERIT smokers?

Confirmed: 85% of MERIT smokers say it was an "easy switch" from high tar brands.

Confirmed: Overwhelming majority of MERIT smokers say their former high tar brands weren't missed!

Confirmed: 9 out of 10 MERIT smokers not considering other brands.

First Major Alternative To High Tar Smoking

MERIT has proven conclusively that it not only delivers the flavor of high tar brands—but *continues* to satisfy!

This ability to satisfy over long periods of time could be the most important evidence to date that MERIT is what it claims to be: The first real taste alternative for high tar smokers.

Nutrition notes

Do you want to pay for polyunsaturated oil?

By DOROTHY TERRILL

Editor's Note: Dorothy Terrill, a registered dietitian and instructor at De Anza College, holds an M.S. in nutrition from UC-Berkeley. Questions about nutrition are invited. Address all questions to: Dorothy Terrill, Nutrition Notes, Suburban Newspaper Publications, Inc., P.O. Box 368, Cupertino, 95014. Mrs. Terrill will answer questions as space allows.

A RECENT TV commercial told viewers that Puritan salad oil was better for them because it contains sunflower oil and "more polyunsaturates than corn oil." Nutritional claims such as this are confusing to the consumer and leaves them with the question, "Which salad oil is the best to buy?"

Salad oils are judged by their degree of polyunsaturation. A key fatty acid involved is linoleic acid. Linoleic acid is polyunsaturated so the higher the percentage of linoleic acid in an oil, the more polyunsaturated it is. Of the salad oils commonly used, safflower is 72 percent linoleic acid, sunflower oil — 70 percent, corn oil — 53 percent, soybean oil — 52 percent, and cottonseed — 50 percent.

However, many salad oils are composed of more than one oil. Puritan, for example, is composed of both sunflower and soybean oils. The percentage of each is not listed on the label, however. Since the amounts of each are an unknown factor, one has to depend on the ratio of polyunsaturated fat to saturate fat in an oil. This information is generally available on margarines but rarely on vegetable oil labels. A ratio of at least 1:1 is desirable. Corn oil frequently appears alone rather than in combination and it is possible that this has more polyunsaturates than a mixture of oils.

HYDROGENIZATION is another term seen on salad oil labels. Hydrogenization refers to the process of adding hydrogen to an oil under pressure. It serves to saturate the oil, prolong the keeping qualities, and harden the salad oil. Because it results in saturation, it is not desirable when one wants the most polyunsaturated oil possible.

The most polyunsaturated salad oil may not be necessary when it's intended to use it as a preventive measure against heart disease. The consumer must consider such things as taste and cost. Safflower oil, for example, may be prohibitively expensive but a soybean oil may fit into that particular food budget.

A COMPARISON of several salad oils was done at a major supermarket chain. Wesson oil is composed of partially hydrogenated soybean and cottonseed oils and sells for $1.89 for 48 ounces. Puritan, made of sunflower and soybean oils, sells for $2.33 for 48 ounces. Mazola is pure corn oil and sells for $2.69 for 48 ounces. Nu-Made brand, composed of "partially hydrogenated soybean oil," sold for $1.65 for 48 ounces.

A price surprise was a comparison of Hollywood brand soy and safflower oil. Thirty-two ounces of the pure safflower oil sold for $1.68 while the same size bottle of pure soy oil was $1.79. A price difference of $1.04 among the various 48 ounces bottles of oil indicates that there is a consumer decision to make and that price can't be ignored as an important factor.

VEGETABLE oils frequently use the statement that it contains "no cholesterol." Cholesterol is found only in animal products so no vegetable oil will contain cholesterol.

The kind of oil used in the diet is only one factor that can be changed in the prevention of heart disease. Other changes which are also preventive measures are decreasing the total fat intake to 30 percent of the calories consumed, lose weight or maintain an ideal weight, increase regular exercise — especially jogging — quit smoking, and cut back on alcohol and excessive caffeine intake.

Champs play-off for region berth

Dons, Bucs share WVAL bat title with Leigh

THEY MIGHT HAVE lost Wednesday's semi-final play-off game with the Campbell Buccaneers, or they might go on to win the Central Coast Section championship. But as far as Del Mar Don head coach Gary Cunningham is concerned, the important part of his club's season is already behind it. From here on out it's all icing on the cake.

"Nothing can tarnish the succes we've had so far this season," said Cunningham as his Dons completed a late season surge that earned them a share of the West Valley Athletic League's regular season baseball title along with Campbell and Leigh.

It marked Del Mar's first WVAL baseball crown since 1966.

Because Del Mar, Campbell and Leigh all finished the year with identical 11-5 records, a play-off was necessary to determine which team would advance to the Region play-offs and represent the WVAL.

Leigh won the coin flip and drew a bye in the first round of the WVAL play-offs. Campbell and Del Mar were to have met on Wednesday, the winner playing the Longhorns Friday afternoon (3 p.m.) at PAL for the right to advance to Regional play.

"The play-offs are gravy," said Cunningham, whose club won 10 of its last 11 games to create the three way tie for first. "I don't want anything to upset the co-championship. This has been a very rewarding season. No matter what happens, I want to make sure the kids remember their co-champions."

THE LEIGH LONGHORNS, one of Del Mar's bitterest foes, was largely responsible for the Dons gaining a share of the league title.

The Longhorns tripped Campbell 7-3 last Tuesday, knocking the Bucks out of sole possession of first place.

Del Mar, meanwhile, ended its season with wins over Blackford and Prospect.

The Dons moved into first place for the first time this season with a 5-3 win over Blackford while Leigh was upsetting Campbell.

Jeff Blobaum, who has been a key to Del Mar's dramatic late season surge, went the distance for his sixth consecutive victory after starting the year with three straight losses.

Blobaum scattered nine hits and three walks while striking out 10. He hurled 128 pitches, 82 finding the strike zone.

The Dons scored all of their runs in the first two innings, pushing across three in the first and two in the second.

Craig Richesin opened the game with a robust triple to left field. One out later Jim Dorr plated him with a single to center. Tom Bell then capped the uprising with a tremendous home run to left.

In the second, Sean Venenzia lashed a single to left and came around to score when Craig Bates tripled to left.

"We were pretty much shutdown from the third inning on and it got pretty scarey," admitted Cunningham.

The Braves, who tallied once in the second and two times in the fourth, left nine runners on base, five in the last three innings.

The Dons clinched no worse then a tie for first two days later by beating Prospect 6-0 on a dazzling one-hitter by Bell.

Bell, who finished the regular season with a 3-2 record and a sparkling 1.00 earned run average, allowed only a fifth inning single to left by Prospect's George Thum.

Tim Fleury was the only other Panther to reach first, reaching safely on an error.

Bell walked no one and struck out eight, which included fanning the side in the seventh. He threw only 78 pitches, 52 for strikes.

Run scoring singles by Venenzia and Dorr highlighted a four run second inning rally that provided Bell with more than enough runs to win. Richesin added a sacrifice fly in the inning.

A sacrifice fly by Cesar and a double steal pulled off by Bell and Venenzia resulted in a pair of insurance runs in the fifth.

CAMPBELL'S HOPES FOR an outright WVAL crown were nixed last Tuesday by the Longhorns, who exploded for five third inning runs on the way to a 7-3 victory.

Campbell ace Mike Sullivan suffered the loss, dropping his record to 3-3.

Dan Trinidad singled home Joe Jones in the third and Scott Pence doubled home pinch-runner Dan Romeo and Mike Updegraff in the sixth to account for the Bucs' only runs.

Campbell averted a second place finish last Thursday by toppling Camden 9-6 on the strength of a four run rally in the sixth.

Trailing 6-5 heading into the bottom of the sixth, Joe Cucchiara led-off the inning with a base hit to center. He moved to second when the Cougars' centerfielder booted the ball.

Mark Ortiz then reached first safely on an error by Camden's pitcher, putting runners on the corners.

Updegraff then delivered a game tying single. Two outs were recorded before Ted Alcocer singled in Ortiz. Updegraff scored on the same play when an error was committed.

Trinidad capped the outburst with a single to score Alcocer.

Earlier in the game Trinidad had keyed a four run third inning rally with a two run homer.

Cucchiara, who finished the regular season with a lofty .516 batting average, drove in a pair of early runs with a first inning single and a third inning sacrifice fly.

Jones picked up the win, his fifth without a loss, with an inning and a third of perfect relief.

"He came in and did a really big job for us," praised Campbell head coach Gordon Huntze.

Holloway, O'Connell spark WVC showing

Area women lead Vikes to GGC track crown

THE KEYS TO winning a championship in any sport are strong depth and balance working hand-in-hand with quality performances.

And West Valley College displayed all three of those championship "keys" in rolling to the Golden Gate Conference title in women's track and field!

West Valley, after rolling through the dual meet season with a perfect 6-0 record, finished first at the conference finals at Chabot.

The Vikings rolled up 125 team points to finish far ahead of second place Chabot at 104.

Viking athletes placed in 14 of the 15 events contested in the meet and two Vikes combined forces to win five of the 13 individual events in the meet.

Ann Wotherspoon (Los Altos) and Denise Holloway (Blackford) got together to win five events for West Valley and lead the orange and blue to the team title.

Wotherspoon won three events for the Vikes, taking the 800 meters in 2:16.1, the 1,500 meters at 4:35.2 and the 3,000 meters at 9:45.3. She won each event running away from the field and set a state best for 1978 in the 3,000 meters.

Holloway was an easy winner in the discus with a 141'10" heave to win the event by 26'1" and won the shot put easily with a 42'1½" effort to win that one by over five feet.

NANCY O'CONNELL (Campbell) finished second in three events for West Valley. O'Connell was the runner-up in the 100 meter dash at 12.8, the 100 meter high hurdles at 15.5 and the 400 meter low hurdles at 66.0.

Kathy Perkins (Leigh) also placed in three events for West Valley. Perkins romped to a third in the 3,000 meters at 10:18.8 and fourths in the 800 meters at 2:27.3 and the 1,500 meters at 4:50.1.

Carlita Anderson (Campbell) was fifth in the 200 meters at 27.2 and fifth in the 400 meters at 60.7 and Mary Riordan (Saratoga) was fifth in the 100 at 13.1 and sixth in the long jump at 14'1½". Gail Campbell (of Los Gatos) was fifth in the 3,000 meters at 11:08.9 and sixth in the 1,500 meters at 5:06.6.

Rebecca McLein (Los Gatos) picked up a third in the javelin with a 113' toss and Becky Slaght (Los Gatos) was sixth in the discus with a 30'11" effort. Colleen McManus was fifth in the 800 at 2:27.5 and Carine Elbracht (Campbell) was sixth in the 400 meters at 61.7.

West Valley also nailed seconds in each of the relays, finishing number two in the 440 relay at 52.0 and runner-up in the mile relay at 4:07.8.

Field tough in Cats Hill bicycle race

The fourth annual Cats Hill Bicycle Race scheduled for next Sunday has been officially designated a National Classic event by the United States Cycling Federation, the official sanctioning body for U. S. cycling.

The gruelling 40-mile race through the streets of Los Gatos and up and down steep Nicholson Avenue received the distinction of National status due to its tough, competitive course and the outstanding riders who have competed on it.

The event this year will attract the very best of the nation's cycling talent and heading the list will be the current national senior road champion, Wayne Stetina from Indianapolis.

Stetina has won most of the national classic races over the past few years and has been National Prestige Classic Champion three times.

However, there may be an upset in the making in the person of Greg LeMond, the National Junior Road Champion who is currently the hottest thing on bicycle wheels.

LeMond is in fantastic condition, training for the Junior World Championships to be held in Washington D. C. in June, said Bob Tetzlaff, promoter of the event.

He was recently described as the best bicycle rider in the United States at this time by the U. S. Cycling Federation national coach Eddie Borsysewicz.

Borsysewicz was the leading cycling coach behind the Iron Curtain until he sought political asylum in 1974 with six world champions to his credit.

Last year LeMond took second place in the Cat's Hill Race behind Chris Springer of San Jose, the national Junior Track Champion.

Springer is very fast and could be a winner this time again, said Tetzlaff.

Then there is Mark Brandt of San Jose who finished last year's event with an exciting move a couple of miles from the line. He is the national Junior Point Race champion.

Another favorite is Fred Markham of Los Gatos, a four-time silver medalist, or Jack Hartman of Los Gatos, the 1977 National Veteran Champion who was a 1960 Olympian.

The course for the races has been approved by the town of Los Gatos and streets in use by racers will be closed to automobile traffic.

The course will begin on Tait Avenue and include Bean, Nicholson, Belmont and Bachman Avenues.

Helps Moose hold first

Hot Hahn rips 12 straight hits

WHEN YOU'RE hot, you're hot. And you can't get much hotter than Moose Lodge's Brent Hahn was last week in the Major division of the Campbell Little League.

Hahn collected 12 consecutive hits, stretched over two weeks, to help keep his Moose Lodge teammates in first place.

Hahn's incredible string finally came to a halt last Sunday evening when he struck out in his final at-bat in Moose's 12-2 romp over Doetsch Building. He had rapped hits in his first two trips to the plate prior to fanning.

Steve Cena lined three hits while Stan Roam, Jerry Pennington and Bill Avery each lashed two to back the fine pitching of Bill Tsamis.

In his previous two games, Hahn went six for six with three home runs and six runs-batted-in.

Hahn, the younger brother of ex-Major Leaguer Don Hahn, was three for three with two homers and four RBI's in a 12-0 rout of Breuners last Saturday.

Hahn's outburst backed his own two-hit pitching. He struck out nine.

Roam also had a big day at the plate, smashing three doubles and a single in four at-bats. Pennington chipped in with three hits and Jones added two.

EARLIER IN the week Moose Lodge stopped Breuners 5-1 with Roam picking up the win.

Both Hahn and Roam collected three hits on the evening to lead the Moose attack.

Willow Glen Optimist knocked Fontanetti's out of a first place tie with Moose Lodge on Sunday with a 6-5 triumph. Dave Neimeyer chalked up the win in relief.

Mike Medefesser stroked three hits and Mike Mattingly, Gary Favre and Dave Meyer each roped two to lead the losers at the plate.

Prior to its loss to Willow Glen, Fontanetti's posted victories over Breuners 4-0 and D's Automotive 10-1.

Meyer struck out nine and allowed just a third inning double to Craig Smith in tossing the shut-out.

Jones absorbed the loss, yielding just four hits.

Favre tossed a two-hitter for the win over D's. Robert Artery had both hits off Favre.

Third place Willow Glen dumped Plaza 6-1 last Tuesday but suffered a 5-4 loss to Campbell Plaza on Saturday.

Niemeyer hurled the win over Plaza. Tim Zaccheo drove in a pair of runs and Niemeyer slapped a pair of hits to lead WG at the plate.

Anthony Castro hurled Plaza to its win over WG.

GILBERT Vanegas won the game in the bottom of the sixth with a sacrifice fly, scoring Jimmy Valdas from third.

Craig White was two for two for Plaza and Larry Miranda was also two for two for WG.

Robins ended a nine game losing streak with a 5-3 win over Willow Glen behind the pitching of Dan Egger.

But Robins went back to its losing ways in its next two outings, suffering 5-1 and 4-1 losses to Doetsch Building.

Alex Thrappas pitched the 5-1 win for Doetsch.

Wayne Terwilliger had two hits for Doetsch while Mike Watari had two hits for Robins.

Dave DeCarlo registered the 4-1 victory over Robins, receiving offensive support from Terwilliger, who was two for two.

Ray Hixson was two for three for the losers.

George Tsamis spun a one-hitter and struck out 11 to lift Fontanetti's to a 1-0 win over D's.

Mike Mattingly drove in the only run of the game with a third inning single.

Yancy Silvas collected D's only hit of the game, ripping a single in the third.

Plaza's Buchanan tossed a three-hit shut-out to beat Breuners 5-0. He struck out 12.

Castro and Buchanan both had two hits for the winners.

In games played two weeks ago, Artery hit a grand slam to lift D's to a 7-4 win over Plaza. Scott Berry notched the win.

A grand slam homer by Terwilliger led Doetsch Building to a 10-2 frolic over Plaza. Robert Oneto registered the win. Buchanan homered for Plaza.

Moose's Bill Tsmais shut-out D's 4-0.

George Tsamis, despite yielding a homer to Jones, pitched Fontanetti's to a 15-7 win over Breuners.

Willow Glen edged Robins 2-1 behind the pitching of Miranada.

Doetsch nudged Plaza 3-1 with DeCarlo chalking up the win.

Hahn hurled Moose Lodge to a 6-1 victory over D's.

Breuners pounded Robins 13-4. Mark Phillips notched the win.

Moose slipped past Willow Glen 5-4 despite a home run off the bat of WG's Jerry Feroben. Roam picked up the win.

Doetsch nipped Fontanetti's 3-2. Thrappas tossed the win. Mattingly homered in a losing cause.

Moose Lodge nudged Willow Glen 6-5 as Bill Tsamis struck out 10 for the victory.

Campbell LL on the radio

CAMPBELL Little League games can be heard each Tuesday through Friday at 3 p.m. over KRVE radio (95.1 FM).

Weekend games will be broadcast on a tape delay on the four weekday afternoons. The broadcasts, produced by Gap Sports Productions, will run all season long.

P-C paper drive

THE CAMPBELL Moreland Pony-Colt League is conducting a paper drive, which will last through June. Anyone interested in donating their papers should bring them to the John D. Morgan Park snack shack.

Mitchell bats .274

CAMPBELL graduate Wes Mitchell completed his freshman year at San Jose City College with a solid .274 batting average, helping the Jags to set a school record for highest team batting average (.298).

Mitchell, a key performer on last year's West Valley Athletic League championship squad at Campbell, drilled 29 hits, drove in 19 runs and scored 27 times for the Jags during their 27 game schedule in the Golden Gate Conference.

The Jags finished the regular GGC season with a 17-10 record, good for fourth place. San Jose, however, was quickly eliminated from the playoffs by round robin champion San Mateo last Thursday, falling 12-7 to the Bulldogs.

Giants nip Cubs on Yamasaki HR

ERIC YAMASAKI belted a home run to lift the fourth place Giants to a 2-1 victory over the Major division leading Cubs last week to highlight Moreland Little League action.

The Cubs, who suffered just their second loss of the season, bounced back to topple the Dodgers 6-1 behind the hitting of Greg Troupe and the pitching of Dave Moritsch.

Troupe drilled an inside the park home run while Moritsch hurled the win.

The last place Reds clobbered the Dodgers 12-2 for their second consecutive win after six straight losses. Jim Sumich picked up the victory.

The Reds' winning streak came to an abrupt halt in their next outing, however, as they sank to a 5-2 loss to the second place Senators.

Ethan Bessler clubbed a run scoring double in the fifth inning, snapping a 2-2 tie and lifting the Senators to victory.

In the only other Major division contest last week, the Senators shut-out the Giants 9-0.

Giants sweep pair to remain unbeaten

By CHUCK HILDEBRAND

THE FIORILLO'S Pizza Giants maintained their undefeated status and assumed the lead in the Campbell Moreland Pony League race last weekend.

Manager Jack Wade's Giants, now 5-0-1 on the season, swept a two-game weekend series from the Wheelaway Cycle Center A's, 5-1 and 7-6 in nine innings.

The Giants are two games up in the loss column on the American Realty Cardinals (5-2-1) and the Fontanetti's Yankees (5-2). Tom Gricius' two-hitter gave the Cardinals a 4-1 Sunday triumph over the Jacky Boy's Pizza Cubs after the Cubs had prevailed 10-5 on Saturday, and the Yankees powered past the slumping Magoo's Pizza Pirates 6-1 and 6-3.

In the other weekend series, the Campbell Optimist Mets disposed of the Straw Hat Pizza Tigers 5-2 and 9-1.

Wheelaway Cycle Center, loser of its first five games by a cumulative score of 58-5, played inspired baseball against the Giants but it wasn't enough.

Mike Reilly's sacrifice fly pushed across Ken Roam with the deciding marker in the ninth inning of Sunday's 7-6 thriller.

The A's trailed 4-2 entering the final regulation inning, the seventh, with Tom Bendinelli working on a three-hitter. But a double by Tom Emmett, singles by Earl Wiggins and Don Bernard and three wild pitches enabled the A's to tie it.

Each team tallied a single run in the eighth but winning pitcher Ed Rodriguez shut the A's down in the ninth to set the stage for the climactic rally.

Earlier, Roam swatted a two-run triple to send the Giants into the early lead. Cameron Comick of the Giants and Jim Walsh of the A's each notched two hits.

One day earlier the Giants' John Heidemann scattered seven hits and stranded eight A's baserunners. Rodriguez doubled home two runs in the third to give Heidemann all the offensive support he needed.

The Cardinals' Gricius, who suffered two broken legs during the off-season, appeared fully recovered while mesmorizing the Cubs Sunday.

The towering right-hander struck out 12 and issued just three walks. Teammates Al Vanegas and Bob Pogue slapped run-scoring singles in his behalf.

On Saturday, the Cubs' John Murphy unloaded his third homer of the year and hurled a seven-hitter as the Cubs authored five-run rallies in the third and sixth for all their offense.

The Cubs' Dan Barry circled the bases after a bunt in a bizarre sixth-inning sequence that broke the game open.

With runners on first and second and one away Barry laid down a sacrifice bunt. The Cardinal catcher picked the ball up and fired to the centerfielder covering second.

But he overthrew his target, the ball rolled all the way to the wall and the Cubs recorded three runs on the four-base error.

The Cubs' John Benjamin delivered two hits, including a three-run double and the Cards' Steve Takaki also managed two. Scott Ferdinandson added a two-run triple, his 11th hit of the year, for the losers.

The Yankees' Rich Alvarez was his usual overpowering self Saturday, fanning a season-high 17 in his two-hit, 6-1 success against the Pirates. Alvarez lofted his third homer of the season, a three-run shot, and John Gil contributed a solo blast.

On Sunday his teammates engineered a five-run seventh-inning rally to overhaul the Pirates, who committed three crucial errors during the uprising.

John Imhoof halted the Pirates on four hits and Gil clobbered another round tripper.

The Mets, who have been looking for mound help behind stopper Bob Straight, may have found it in Brad Ceynowa Sunday.

The rangy left-hander allowed the Tigers just four hits in his first start of the season, fanning 13. Randy Nishijima had two hits and Mike Hanich rapped a two-run single to lead the Mets assault.

The previous day Straight spotted the Tigers a two-run Scott Freear triple in the third but shackled the losers the rest of the way, whiffing 15 during his five-hitter. Nishijima and Russ Cooper connected safely twice to back him.

Brett Blackwell of the Pirates fashioned the league's second no-hitter to highlight action during the week, stopping the Mets 4-1. He totalled 14 strike-outs and walked five during his gem.

In the other two games, the Tigers breezed past the Cubs 8-1 and the Giants and Cardinals battled to a 5-5 tie that was halted after seven innings because of darkness.

Business briefs

FUNG LUM GOES HOLLYWOOD

The internationally-known Fung Lum restaurants, which operates its only U.S. facility in Campbell is planning to open a facility in Universal Studios in Southern California, Manager Daniel Pang announced.

Last week Pang signed a contract with a representative of the TV-movie studio but completion of the project is still about two years away, Pang said. Fung Lum is now starting design work.

Pang said representatives of the studio, located in Universal City, had seen photographs of the distinctive gold restaurant on S. Bascom ave. and came here to persuade the firm to build at the studio center.
